Contributors

Correspondents/freelancers are invited to submit articles for publishing when framed in relation to the advertised publishing schedule. Material should be emailed directly to ADBR for consideration, along with any related photographs in either the .jpg or .tif formats.

Reprints

Authority for reprints or electronic copy posting of articles appearing in ADBR should be forwarded to the publishers. All material appearing in ADBR is subject to Copyright ©2008. Reproduction in whole or part is not permitted without expressed written permission or licence agreement.

Australian Defence Business Review

is a private sector initiative which aims to improve two-way communication between industry and the Australian Defence Organisation in support of national objectives of Defence 'self reliance'. As such, the publishers accept sole responsibility for the contents of this publication, which may in no way be taken to represent the views of the Department of Defence, the Australian Defence Force or any other agency of the Commonwealth of Australia.

Cover photo: Royal Australian Navy 'Sea Hawk' helicopter operating off HMAS Anzac' DEFENCE PHOTO

Real Value of Sea 1448 in Limbo: Big strides have been made to put new hi-tech radars on the 'Anzac' frigates, but there's still no installation contract p8

Fitzgibbon for Defence Portfolio: Australia has a new Minister for Defence who is already turning up the heat on failing Defence projects & the DMO p9

U-turn in Homeland Security Plan: With Customs out chasing Japanese whalers, a panel of experts is to advise Labor on its DHS & Coastguard plan p13

Replacing the 'Collins' Capability: Funds are to be provided in the 2008/09 Budget to begin studies on what might replace the 'Collins'-class boats p25
